RESOLUTION OF THE QUTEKCAK NATIVE TRIBE

RESOLUTION NO. 2010 -04

A RESOLUTION SUPPORTING THE QUTEKCAK NATIVE TRIBE SUBMISSION OF AN APPLICATION TO THE INDIAN HEALTH SERVICE ELDER CARE INITIATIVE LONG-TERM CARE GRANT PROGRAM.

Whereas

The Qutekcaak Native Tribe (QNT) actively advocates for the improvement of individual, family, and community health status and well-being;

Whereas

QNT has established an organizational goal which seeks to develop capacity for the delivery and enhancement of elder services;

Whereas

QNT has successfully completed a comprehensive elder assessment process which identified the need to develop and maintain tribal support for in-home elder care and community-based elder services;

Whereas

The Indian Health Service is currently providing opportunity for short-term financial support and technical assistance to plan and implement tribal long-term care programs;

Now Therefore Be It Resolved

QNT directs tribal management staff to undertake dedicated efforts to develop and implement additional program supports for tribal elders, to include home and community based care, care coordination, expanded cultural and social activities to empower elders, and inter-agency service collaborations.

Be It Further Resolved

QNT authorizes tribal management staff to apply to appropriate federal, state, and other grant funding sources for elder program implementation assistance, and to develop organizational infrastructure to sustain continuing elder program activities and services.
